ABOUT THE EVENT

At this powerful one-day event, youth leaders and students will reach people in their communities by praying, serving, and sharing the gospel. Simulcast live from Denver, CO to locations nationwide, this event is your chance to make a difference and share Jesus' love with those in your community!

THE DAY OF THE EVENT

Each Satellite Site will have live portions of the event (emcee and worship), but the challenging teaching, training, skits, and performances from Dare 2 Share LIVE's speakers and artists will be experienced via simulcast. The Dare 2 Share LIVE mobile app will connect all participants throughout the day as they simultaneously launch out into their local communities to serve communities and share the gospel message.

WHEN IS THE EVENT?

LIVE is an all day event on Saturday, October 12, 2019. Training times across the nation are: 9am (PST), 10am (MST), 11 am (CST), 12pm (EST).

You can find the detailed schedule for each time zone at www.dare2sharelive.org/faq.

WHO IS BEHIND THE EVENT?

Dare 2 Share Ministries launched its first ever Dare 2 Share LIVE event in 2017 and is excited for round three on October 12, 2019! Find out more about Dare 2 Share Ministries at www.dare2share.org.

WHAT DOES A LIVE, MULTI-SITE SIMULCAST LOOK LIKE?

From coast to coast, this event will start and end at the exact same time! No matter what Satellite Site they are at, every teen and youth leader will experience each session together virtually (via simulcast) at the exact same time.

Each Satellite Site will have its own trained emcee and worship band for a live and interactive element, while training, skits, and artist performances will be broadcast live from Denver, CO.

HOW CAN I GET INVOLVED?

- Bring your youth group
- Host a D2S LIVE Satellite Site location at your church
- Help us pray over the event
- Tell other youth groups/churches about it
- Donate to Dare 2 Share

HOW DO I REGISTER?

Dare 2 Share LIVE is now free for students! However, your church will need to purchase a Church Kit to receive wristbands and to participate at the Satellite Site of your choice. The price of the Church Kit will be based on the size of your church.

Save October 12, 2019, on your calendar and join the Insider List at www.dare2sharelive.org/insider to receive information on promos, updates, and deadlines as October 12 approaches!

STREAMING ONLY ALTERNATIVE

As part of the larger mission of Dare 2 Share to see "Every teen everywhere hear the gospel from a friend," LIVE is now more accessible than ever. New in 2019 is a "Streaming Only" option for churches to participate in LIVE by streaming the live feed at their own location. This option is specifically for those who are located too far to attend at a Satellite Site or have another special exception.

This option will lack a trained emcee, the feel of a large gathering, and does not require a live worship band. "Streaming Only" sites will have access to all the gospel training and worship from the main broadcast site. They will also get to serve their community at the same time as all other Dare 2 Share LIVE sites across the country. Learn more at dare2sharelive.org/streaming.
